Staff Retreat

We had our annual staff retreat at the beginning of last month! It was a refreshing time of fellowship, worship, and talking about being Sons & Daughters of God. It's crazy for me to think that I've been in Corpus Christi for a year now working with YWAM Ships. My first staff retreat last year I didn't know everyone very well, and I have loved getting to know these amazing families that I'm serving beside in missions.

Our staff have come from all different parts of the U.S. and other countries! It may seem odd that God has called each one of us to Corpus Christi during this time, but God is very strategic. We've been praying for revival to come out of Corpus Christi and spread throughout the U.S. and different parts of the world. Join us in prayer for revival in our nation and throughout the world.

Spring Break Outreach Week!

We took the whole week of Spring Break to focus on Outreach! This was my favorite Outreach we've had so far! We went on prayer walks, evangelized, volunteered at the pregnancy center, gave out free food, Bibles & devotionals, did treasure hunts, and prayed over so many people!

A treasure hunt is where you ask God for a detail, a word, or vision about someone. Then you go out and look for that person to talk, give them a word, or prayer over them! Spring Break Outreach was an awesome week & it set my heart on fire for the people of Corpus Christi.

So far this year, we've prayed over & shared the gospel with 86 people, led 5 people to Christ, given out 20 Bibles, and 50 devotionals & tracts!

Introducing 361 Evangelism!

I am so excited to announce our new ministry under YWAM Ships CCTX! 361 is the area code for Corpus Christi and I am running this ministry once a week all throughout the city! We are doing street evangelism and being Spirit led in where we go each week. I can't wait to see where God takes this ministry & I greatly appreciate your prayers over this! We go out every Tuesday from 4:30-6:30pm. I am also praying for more volunteers to be a part of this team with me.

PRAYER REQUESTS:

- For 361 Evangelism! Divine Appointments each week, and protection over the team & more volunteers.
- For more students to apply for our School of Navigation & Seamanship. (Training Location at YWAM Rancho Abierto, Mexico. Running from June 23 – Sept. 12 2025)
- For Elmer's Fiancé Visa Petition to be approved! It has now been 6 months since I sent the petition to USCIS & they are working on October filers right now. Please pray with us that his petition is approved this month.
